**THE CINCINNATI DAILY STAR**  
IS THE LARGEST AND BEST  
DOLLAR WEEKLY PAPER  
PRINTED IN THE COUNTRY.

It is the paper that meets the wants of the farm and the fireside more fully than any other, as will be seen by a careful examination of the following facts, and a comparison of the paper with any other of the city weeklies:

**THE STAR**  
Is handsomely printed on pure white paper from clear cut type, that makes it easily read, even by a poor light. Its clear and open print is a joy to old or weak eyes.

Is free from political bias, and gives all the news with fairness and honesty, so as to enable its readers to form a correct judgment on whatever is passing; and it discusses questions without prejudice, but always in the interest of the producing classes. It is in no sense sectional or contracted in its news or opinions, and can be read with the same real pleasure and interest from Texas to Maine, and from California to Delaware. Its stories are thrilling, its news late, comprehensive and correct; its Market Reports reliable; and all its departments are fully up to the requirements of a first-class journalism.

We give  
**NO CHROMOS, HAND-BOOKS, or ALMANACS**  
With the STAR, believing that the greatest inducements we can offer is to make a  
**First-Class Newspaper,**  
Putting the money which such things would cost to the better use of  
**IMPROVING THE PAPER**  
And leaving the chromo business in the hands of picture dealers, where it properly belongs.

We, however, fully appreciate the **ENERGETIC WORK** done by club agents, and reward them liberally, as will be seen by reference to our List of Premium Inducements to Agents, which is sent on application. Agent's outfit free of charge. Get up a good club for the STAR.

**Specimen Copies Free**  
ON APPLICATION.

**THE STAR,**  
230 Walnut Street,  
CINCINNATI.

The Manufacturing Interests of Cincinnati are larger and more varied than those of Pittsburgh, Chicago, St. Louis, or any other Western city. A large portion of the population is necessarily made up of the intelligent artisan class, who are thrifty and well to do, and therefore a class whom merchants find a profit in addressing.

**THE CINCINNATI DAILY STAR**  
Offers special inducements to Advertisers desiring to reach this class of people. It publishes and circulates more papers in Cincinnati and immediate vicinity than any other Journal issued in this city. It is taken and read by people at THEIR HOMES; and for all classes of goods, where the Advertiser desires to reach the family, is more valuable, even in proportion to circulation, than a paper that is a favorite only in the counting-room. Its news covers the affairs of every day life, dressed up in such a manner as to be of special interest to the ladies; and its advertisements are therefore brought more conspicuously before them than in the case with any other paper in this city. For these reasons, and many others which we might cite, the STAR is an unequalled medium for  
**DRY GOODS MERCHANTS, DRESS MAKERS, MILLINERS, SHOE DEALERS,**  
And the Manufacturers of or Dealers in all articles of family consumption.
